

Zhaga Sensor

MWS-ZGA MWS-ZGA

Zhaga microwave motion sensor, 1-10V dim output

- Standard Zhaga connector
- Max mounting height of 15 meter
- Corridor function with dimming output
- Configure with remote control (MWS-RMT)

Overview

The Kosnic Zhaga High Bay

Microwave Sensor with Remote

Control is a solution that uses light only when and where is needed.

With sensitivity setting for motion detection and hold time after motion ends. Also, it has a built-in light sensor which can be used to prevent the luminaire from switching on above a set ambient light level.
