

# Zhaga Sensor

MWS-ZGA MWS-ZGA

## Zhaga microwave motion sensor, 1-10V dim output

- Standard Zhaga connector
- Max mounting height of 15 meter
- Corridor function with dimming output
- Configure with required remote control (MWS-RMT)

## Overview

The Kosnic Zhaga High Bay Microwave Sensor with Remote Control is a solution that uses light only when and where is needed. With sensitivity setting for motion detection and hold time after motion ends. Also, it has a built-in light sensor which can be used to prevent the luminaire from switching on above a set ambient light level.
