Penta

PEN/GU10-BLK PEN/GU10-BLK

Penta GU10 Track light Die-cast Aluminium Black

- Easy installation with the front circular clip
- Available in white and black finishing
- Anti-glare reflector at the front

Overview

The Penta low cost doesn't come at a loss of quality, its has a built in anti-glare reflector and uses a GU10 socket. Its flexibility in use case is only added to by its wide range of motion and front clip for easy repositioning anywhere along the single circuit track.

General Information

Materials	Housing extrusion pure aluminium
Installation Area	Internal
