TEL210-WHT TEL210-WHT

## Telica 2 fire rated antiglare DL CCT switch DIM 10W white

- Dimmable driver included
- Interchangeable reflectors with different finishes
- Anti-glare reflectors available
- Switchable colour temperature 3000K/4000K/6000K
- IP65, Class II

### Overview

The Telica fire rated downlight is a mains dimmable that can be fitted with a range of bezels. Beneath the bezel you will find the CCT switch with three options, this combined with the mains dimming and range of bezels and IP65 rating makes the Telica II suitable for a range of applications.

### General Information

Materials	Housing zinc coated sheet steel
