Volga

VLG2F20-W40 VLG2F20-W40

Volga, agriculture non-corrosive, 2ft 20W 4000K

- Ammonia-resistant PMMA body for livestock lighting
- Stainless end cap
- Cable gland with wiring terminals on either end of luminaire
- Popular cylinder body
- Flicker free
- High efficiency of up to 133lm/W

Overview

The Volga is a tough waterproof IP69K batten for harsh environments. Using high lumen SMD chips and a high transmittance PMMA cover to give a uniform output. Connections at both ends for linkage and clip-on bracket for easy installation. Suitable in farms, factories, warehouses and other areas with high humidity and dust.

General Information

Materials	Housing 304 stainless steel, Diffuser PMMA
Installation Area	Internal and External
